

HOGAR EL CAMINO, PARAGUAY

THANK YOU FOR SUPPORTING HOGAR EL CAMINO THROUGH SERVING ORPHANS WORLDWIDE!

Your gift continues to improve lives everyday. We wanted to send you an update of how your dollars are impacting the children served at Hogar El Camino in Paraguay!

Located in Paraguay, Hogar El Camino faithfully serves 37 children who are long term residents.

The home's primary aim is to care for high risk children and provide them with food, shelter, education, spiritual and emotional support.

Every child who calls Hogar El Camino their home has a different story. No matter the story, Hogar El Camino believes that each child deserves to be loved unconditionally.

NEW DIRECTORS

Hogar El Camino recently welcomed their new director, Marcos Diaz. He and his wife, Blanca, have been serving in the ministry since 2014. Through their involvement, they developed a passion for the mission of the home as well as a natural rapport with the children.

Hogar El Camino has a mission to see Paraguayan leadership in every area of ministry. Marcos and Blanca are already loved and respected by the children as well as the house parents and staff.

Please keep Marcos, Blanca, and their son, Ian, in your prayers.

Pray for Marcos to have grace and wisdom in every situation and for God to move mightily in Hogar El Camino and in the lives of every child and young person under their care.

BIG, CLEAN SMILES FOR EVERYONE

Hogar El Camino recently worked with a ministry, "Smiles for Everyone" to provide free dental care for the children at the home and who attend New Path Christian school.

During their two day stay, they saw 128 children. We are thankful for these wonderful partnerships and the heart they have to give of their time and skills to give these children bright, clean smiles!

CARLOS' DREAM

Carlos grew up in Hogar El Camino, and has dreamed of becoming a pilot since he was a little boy.

He has a passion for airplanes and travel. Staff at the home say he is gifted in all things mechanical. With the support of the home and his strong desire to fly, he decided to take the steps to accomplish his dreams.

Carlos has just begun classes to become a certified pilot. We are so proud of him! Please continue to keep Carlos in your prayers!

"For I know the plans I have for you, declares the Lord, plans for good and not for evil, to give you a future and a hope"

OTHER PRAYER REQUESTS

Please be in prayer for this precious young girl who tore her ACL and is recovering from an extensive surgery. Pray that she will heal quickly and that she can find ways to remain active without slowing her recovery down.

Staff at Hogar El Camino welcomed a new child into the home to be reunited with her 3 older brothers! Please keep her in your prayer as she adjusts to life in the home.

NEW PATH CHRISTIAN SCHOOL

Hogar El Camino Children's home is under the umbrella ministry called Serving Paraguay. Also under this ministry is the New Path Christian School. The aim of this school is to provide a quality education to the children of Hogar El Camino, as well as those from the surrounding impoverished community.

By providing elementary, middle school and high school level classes, staff can ensure stability and continuity for these children, with the hope of giving them the best chance at succeeding in the future.

Without you, Hogar El Camino could not continue to provide a safe, loving environment for vulnerable children in Paraguay.

From the bottom of our hearts, thank you.

Thanks
